

MARCH 13, 2014 ENROLLMENT UPDATE

Cover Oregon enrollments completed
since January 1, 2014

Medical enrollments through Cover Oregon: 145,941

Total private medical insurance enrollments through Cover Oregon¹: 45,119
(4,909 through partner portal)

Oregon Health Plan enrollments through Cover Oregon: 100,822

Dental enrollments

Total private dental insurance enrollments through Cover Oregon¹: 9,011

Net enrollments

Net private medical²: 42,915

Net private dental²: 8,351

Background: With two months of open enrollment completed, Cover Oregon is expanding the enrollment report beyond what is required by the federal Center for Consumer Information & Insurance Oversight to include net private insurance enrollments and also dental enrollments.

[1] Total numbers are the number of enrollments that have occurred through Cover Oregon.

[2] Net numbers are enrollments remaining in the system on this date after cancellations and terminations.

Please note also that these are estimated enrollments and throughout the year there will be a constant process of reconciliations.
